Patent Drafting Opportunities

Description

Join our team to explore an exciting opportunity in patent drafting.

We are seeking talented patent engineers/agents to draft high-quality patent applications meeting the filing standards in India, US, EPO, and other jurisdictions. Domain expertise in Computer Sciences, Electronics, Telecommunication, Electrical, and Mechanical fields is pivotal.

LexOrbis boasts an exceptional team of over 50 patent drafters across various domains, delivering top-notch patent applications for initial filing in major English-language jurisdictions.

Preferred qualifications: B. Tech/M. Tech/PhD with a minimum of 2 years' experience in patent drafting.

Locations where openings are available: New Delhi, Mumbai, Bengaluru, Chennai, Hyderabad.

Contact us at hr@lexorbis.com to seize this opportunity.
